

CALVARY CEMETERY ROCHESTER

GRAVESITE CHANGE OF LOCATION AND BUY BACK POLICY

(Effective August 20, 2012)

It is the policy of Calvary Cemetery Rochester to buy back a gravesite from the rightful owner for the original cost of the gravesite or in exchange for another site.

If the gravesite has a crypt marker, the removal of marker and restoration of the gravesite will be done by cemetery personnel. There is a charge for the removal and restoration. Credit due will be paid to the owner upon removal of marker.

If the gravesite contains an upright monument, it is the responsibility of the rightful owner to remove or make arrangements to remove the monument in a timely manner (2- 4 weeks). Restoration of gravesite will be done by cemetery personnel. There is a charge for the restoration. Credit due will be paid to the owner upon removal of monument.

To verify a change of gravesite location, a new Cemetery Certificate will be issued when removal of the **marker or monument** is completed.

If there is a change of location from a columbarium niche and the niche door is already engraved, the rightful owner is responsible for the cost of a replacement niche door.

If there is a credit due, a donation to the cemetery is appreciated but not required.
